18TH INTERNATIONAL CONTEMPORARY ART FAIR

Dear Exhibitor,

The SIAC has built a solid reputation in the art world over its 17 years of existence and is widely appreciated for its stringent selection criteria, quality and conviviality. Moreover, this notoriety is recognized by Wikipedia.

The fair has been acclaimed for its hospitality and respect for exhibitors, as well as for its selection of artists. The participants themselves consider the SIAC to be a benchmark in France in terms of organisation.

The SIAC presents a series of remarkable works produced by outstanding professionals or talented up-and-coming artists. It has been recognised as one of the country's forefront not-to-be-missed events.

To participate in the 18th edition, I will meet you from 16 to 19 March 2018.

- Applications from artists who have exhibited in previous years are not automatically accepted. Their work must be submitted again and evaluated by the Selection Committee. The selection process is rigorous and increasingly competitive due to the rising number of candidates (29,8 % of artists refused in 2017). We advise you to present your work with care if you wish to take part. Portfolios or press book should be professional and intelligible : high quality photographs, clear themes and explanations, logical and relevant grouping of works to be exhibited.

- The Selection Committee will examine applications upon reception and a reply will be given within a fortnight. As the number of places is limited, it is advisable to reserve as soon as possible. The closing date for applications is 10 December 2017. A waiting list will be opened once all exhibition space has been allocated.

- Should you wish to conserve the same stand as a previous year or request a specific location (according to the technical constraints of reserved areas), please send your application by return of post. No stand bookings will be accepted by telephone or email.

I hope to have the pleasure to receive you in 2018.

Should you wish any further information in English, please do not hesitate to contact Lyne PERINCILO DULUC by email lyne.perinciolo-duluc@wanadoo.fr
